

TRAINING ANNOUNCEMENT

BURNEY FIRE PROTECTION DISTRICT

Presents:

Emergency Vehicle Operations

California State Fire Marshal Certified Course

**October 23-24, 2010
8:00 a.m. – 6:00 p.m.**

**Training Location:
Burney Fire Protection District
Fire Station 17
37072 Main Street
Burney, CA 96013**

COURSE DESCRIPTION

This course is designed to prepare the student for the role of Driver/Operator or Engineer. A combination of classroom and skills training will introduce the students to operation of fire apparatus, pumps, pump theory, friction loss calculations and water supply. This is a 16-hour California State Fire Marshall Certified course. Successful students will receive a FSTEP Certificate of completion.

****Students will be required to supply their own Helmet, Gloves and Eye Protection. Agencies sending more than 5 students may be required to provide an apparatus for the second day of class for skills evaluation.**

Applications due by October 8, 2010
